

**Ohio Department of Public Safety
Division of Emergency Medical Services
EMS Grant Program
EMFTS Board Priority Area – Pediatric Simulation Training**

Austen Simulation Center for Safety and Reliability (Akron)

Training available:

Mobile Unit: None, but multiple locations available

Classroom: Airway, IV, medications, resuscitation, trauma

Sample cost: Varies based on length of training and materials/staff involved; contact for quote

Contact:

Stephanie Estephan, Simulation Center Educator, 330-543-3002, sestephan@chmca.org

Cincinnati Children's Hospital Simulation Center

Training available:

Mobile Unit: OB/birth, CPR, airway, IO/IV

Classroom: Pediatric resuscitation, trauma, NICU/ED training, can tailor specific training to needs (some lead time necessary)

Sample cost: 2-hour course (2 simulators, 2 educators, 1 sim tech, 2 task trainers), 12-15 students, \$50-\$75 per student

Contact: Brant Merkt, Education Specialist, 513-803-1166, brant.merkt@cchmc.org

Lake Health (Lake County)

Training available:

Mobile Unit: Various

Classroom: Various

Sample cost: Normally free; American Heart Association courses include standard charge

Contact: Patty Willson, EMS Coordinator, 440-953-6128, Patty.willson@lakehealth.org

Miami Township Fire & EMS (Clermont County)

Training available:

Mobile Unit: Simulator can be taken by ambulance for remote training

Classroom: ALS level training TBD, both standard pediatric training and tailored training for specific needs

Sample cost: TBD

Contact: Brian Gulat, Training Captain, 513-248-4854, brian.gulat@miamitwpoh.gov

Nationwide Children's EMS Outreach (Columbus)

Training available:

Mobile Unit: N/A

Classroom: Airway, circulation, medical, trauma

Sample cost: Free for agencies in Franklin County or contiguous counties; contact for rates for other locations or specific courses (EPC, SCOPE)

Contact: Stephen Belville, EMS Coordinator, 614-355-0204, Stephen.Belville@nationwidechildrens.org

Premier Health EMS Center of Excellence (Dayton)

Training available:

Mobile Unit: Airway, trauma, medical scenarios; 6-1 student to instructor ratio

Classroom: Full arrest hands on simulation engaging EMS and ED staff

Sample cost: Normally free

Contact: Mary Lou Kyne, EMS Outreach and Education Program Manager, 937-499-8757, mlkyne@premierhealth.com

ProMedica Transport Network (Toledo)

Training available:

Pediatric trauma and medical, neonatal resuscitation, childbirth

Contact: 419-291-0349

TriHealth Center for Simulation & Education (Cincinnati)

Training available:

Call for information on available training

Contact: Dr. Michael Moyer, Program Director, 513-865-1169, michael_moyer@trihealth.com

University of Cincinnati Department of Emergency Medicine – Division of EMS

Training available:

Mobile Unit: Simulated patient scenarios (stand-alone simulation training); 6-1 student to instructor ratio; airway/respiratory, cardiac, IV/IO, trauma

Classroom: Simulated patient scenarios (stand-alone simulation training); 6-1 student to instructor ratio; airway/respiratory, cardiac, IV/IO, trauma

Sample cost: Normally free (training equipment was grant purchased)

Contact: Gavin Hayes, Simulation Center Manager, HAYESGP@ucmail.uc.edu

University Hospitals EMS Training & Disaster Preparedness Institute (Cleveland)

Training available:

Mobile Unit: Mock codes, PALS, pediatric trauma

Classroom: Mock codes, PALS, pediatric trauma

Sample cost: Normally free

Contact: Dan Ellenberger, Director of EMS, 216-789-7201, Daniel.Ellenberger@UHhospitals.org

Wright State University, Department of Emergency Medicine, Center for Immersive Medical Education and Research

Training available:

Mobile Unit: Infant/newborn resuscitation, illness, injury

Classroom: Infant/newborn resuscitation, illness, injury

Sample cost: Approx. \$50/student for a four-hour course with 16 students

Contact: Raymond P. Ten Eyck, MD, MPH, Simulation Lab Director, 937-395-8839, raymond.teneyck@wright.edu
