## EMT/Paramedic Refresher Courses 2018

Columbus State offers EMT and Paramedic Refresher courses to help EMTs and Paramedics renew their Ohio and National Registry certifications.

**Our refresher courses meet Ohio and National Registry requirements for a transition course.**

Any student with specific recertification requirement questions should contact the State of Ohio EMS Agency at (614) 466-9447 or visit their website at <http://ems.ohio.gov/> and search continuing education requirements.

Courses are subject to cancellation due to low enrollment. Decisions will be made 1 week prior to each course.

There is no specific text required; you should have access to a current standard textbook at your level of training. All classes are held in the EMS building located at 375 N Grant Ave.
