**WHERE:** Ohio Fire Academy  
8895 E. Main Street  
Reynoldsburg, OH 43068

**WHEN:** Friday, September 7, 2018  
8:00 am to 5:00 pm

**WHO:** Individuals or agency representatives from fire, EMS, and law enforcement agencies and organizations, including chaplains and honor guard, who may be involved with the management of and recovery efforts following a line-of-duty death of a public safety officer.

**WHAT:** Everything that happens immediately after a line-of-duty death affects the way the family, the agency, and the community recover from the loss. Lack of resources and planning often adds to the confusion and pain that occurs.

The best place for an agency to turn for support is usually the Local Assistance State Team, the purpose of which is to provide assistance and comfort to the family and department after a line-of-duty death and help with filing for federal, state, and local benefits. This one-day course, offered through a collaborative effort with the Department of Justice – Bureau of Justice Assistance, will provide attendees with the needed training to assist the Ohio LAST in responding to a line-of-duty death.

**COST:** There is no charge to attend the class. Participants are responsible for all travel, lodging, meal arrangements and expenses.

**REGISTER:** Class size is limited to 50 attendees, one per department. Please register by August 10, 2018 to Deputy Chief Ron Terriaco at [Rterriaco@concordtwp.com](mailto:Rterriaco@concordtwp.com).

**MEALS:** Lunch will be available in the cafeteria. Please indicate in your registration if you choose to provide your own meal.

Any questions can be directed to Deputy Chief Ron Terriaco at [Rterriaco@concordtwp.com](mailto:Rterriaco@concordtwp.com).
